URGE SENATORS TO SUPPORT CHANGES

Auditor Says State Will Reap Greater Revenue This Year Than Ever Before.

"I think we have every reason to look forward to the most prosperous year in the State's history," said Auditor of Public Accounts C. Lee Moore yesterday. Mr. Moore has been the recipient of many congratulations on the improved condition of the State Treasury at the close of the fiscal year on September 30.

"From the figures already in hand," said Mr. Moore, "the coming year will make a much better showing. Reports from commissioners of the revenue, although not yet fully compiled, will show an addition to the taxable values of the State of several million dollars on which the State will begin to reap revenue during the fiscal year just begun."

The entire clerical force of the Auditor's office is busily engaged in making the tabulations that form a part of the annual report and which embrace an immense amount of valuable statistical information in regard to the financial affairs of the Commonwealth.

STEALS 19 CENTS; GETS FIVE YEARS

Ernest Mimms Is Convicted on Partner's Testimony in Henrico Highway Robbery Case.

WHITE NEWSBOY WAS VICTIM

Choked by Negroes in Attempt to Steal His Earnings While En Route Home.

Two colored youths—Ernest Mimms and Joe Price—were found guilty on a charge of robbing Percy Rice, thirteen years old, of 19 cents, and were sentenced yesterday afternoon by Judge R. Carter Scott, in the Henrico Circuit Court, to serve five years each at hard labor. Mimms was arraigned yesterday morning, and was convicted on the testimony of Price, who had previously been found guilty and given ten years for the crime, but whose sentence was reduced by Judge Scott to meet that of his partner.

The robbery took place more than four months ago. Young Rice, who is a newsboy, was on his way home from work when he was accosted by the two negroes, who seized him and went through his pockets. The entire booty consisted of 19 cents, which the boy had earned by the sale of papers. In the struggle his necktie was torn off, and an attempt was made by the prosecution to prove that the negroes had choked him.

Price was tried at the last term of the court, and the jury found him guilty of the crime and fixed his term at ten years. It was claimed that the accused was just sixteen years old, and Judge Scott suspended sentence. Price maintained his innocence until recently, when he made a clean breast of the affair and agreed to take the stand against Mimms.

The defense of the pair was conducted by Alfred J. Kirsh, who was appointed by the court. Mr. Kirsh, while unable to overcome the damaging testimony of Price yesterday, succeeded in convincing the jury that no force had been used, and that the crime was of a lesser grade than the one charged in the indictment. At the conclusion of the trial he asked that the verdict be set aside as contrary to the law and evidence, taking a constitutional point for his argument, but was overruled by the court.

HIT BY CAR; MAY DIE

An unidentified negro man, apparently forty or fifty years old, was taken to Memorial Hospital last night about 7:30 o'clock, suffering from a fractured skull as the result of having been hit by a car. The car, just beyond South Richmond, when it struck him, was unconscious, and at an early hour this morning a nurse and physician had been unable to learn his name. His condition was regarded as serious, and it was thought he could not live.

TINSLEY REMOVED BY JUDGE SCOTT

County Officer Dismissed Just After Grand Jury Had Refused to Indict Him.

Constable Joseph P. Tinsley, of Henrico County, was given a clean bill of health yesterday noon by the special grand jury that has been investigating charges against him. In his official capacity, but he was removed from his position later in the day by order of Judge R. Carter Scott, of the Henrico Circuit Court. No reason for this action was given.

Charges that Tinsley had arrested a young man and woman and had illegally released them several weeks ago, were brought to the attention of the special grand jury by Commonwealth's Attorney Sutton, who said that an indictment for accepting a bribe to release the prisoners was being returned against the officer. The hearing began on Monday morning, but was continued in order that other witnesses could be summoned.

The grand jury took up the presentment against C. D. Dean, charged with felonious assault on his wife, and returned a true bill. Since the alleged offense, he has not been seen by friends, and it is thought that he has fled. A body found ten days ago in the Chesapeake Dock is the body of Dean. The dead man had a slight deformity on one foot, and, according to Mrs. Dean, her husband was a white man. The assault on her, from all accounts, was extremely brutal. She was knocked down and then jumped upon. Her clothing, a solid mass of blood, was exhibited in court.

All Henrico commissioners of the revenue were summoned before the grand jury to show that tax returns for the year had been properly returned. Their books were examined, and they were carefully questioned concerning the county assessments. The report of the grand jury will be submitted to Judge Scott.
